Shipping costs depend on size and destination. We only charge real postage + minimal packing costs.

Since we use all kinds of premium and high end media like canvas and fine art papers from Innova Art, Hahnemühle, EPSON and various other brands, we can only give a little glimpse here. Please feel free to ask for your individual needs. We'll help w/ all questions and technical problems and will be glad to make an individual offer. We allow 10% discount for all scholars and graduate students.

We work for all kinds of photographers, photo enthusiasts, artists, museums, galleries and agencies.
We are here to provide yr products, yr art .. yr vision ..
